## SUMMARY

---

Aspiring Full Stack Java Developer with hands-on experience in Spring Boot, Salesforce, and Machine Learning. Skilled in building scalable microservices, secure RESTful APIs, and AI-powered features. Proficient in Java, Python, and cloud technologies. Strong communication and problem-solving skills, eager to contribute to innovative tech environments.

## PROJECTS

---

### Car Garage Billing System (Java) [Link](#)

- Developed a modular billing system using Java, managing customers, vehicles, and services with OOP concepts.
- Implemented invoice generation and service tracking using file handling for data persistence.
- Ensured scalable and maintainable code by applying encapsulation, abstraction, and inheritance principles.

### Personal Portfolio Website [Link](#)

- Designed and developed a modern full-stack portfolio using React, TypeScript, Tailwind CSS, and Vite.
- Showcased technical projects, skills, and experience with interactive project demos and a contact form.
- Optimized website for responsive design, accessibility, and ATS compatibility to support career growth.

### Interior Design Website [Link](#)

- Designed and developed a visually appealing interior design website using React, TypeScript, Tailwind CSS, and Vite.
- Integrated service showcases, image galleries, and contact forms to enhance user engagement and client communication.
- Ensured responsive design, SEO optimization, and accessibility to improve user experience and online presence.

## WORK EXPERIENCE

---

### Project Intern – Keystone Inhouse Project

- Participated as a project intern to gain exposure to software development and collaborative workflows.
- Assisted team members in basic tasks and contributed to project discussions.
- Enhanced understanding of project lifecycle, tools, and technologies.

## EDUCATION

---

### Bachelor of Engineering

Keystone School of Engineering,Pune Maharashtra  
Pursuing B.E. in Computer Engineering  
Expected Graduation: 2026  
Recent CGPA (5th 6th Semester Average): 7.21 / 10

## SKILLS SUMMARY

---

- |   |  |
|---|--|
| • <b>Languages:</b> Java,HTML,CSS,JavaScript,React,SQL. | • <b>Tools:</b> Git, MySQL, PowerPoint                           |
